## EXPERIENCE

Documentation Executive, a freight forwarder (2016-2019)

Handled documentation and client handling for 200+ shipments a month; primary client-facing contact for 14 accounts.

Resolved a 7pm customs hold overnight before the client became aware, then wrote the escalation checklist.

Built an onboarding checklist that became the team's standard across 3 branches.

Product Manager, a logistics SaaS (2019-2024). Sole PM for the carrier module.
