## EXPERIENCE

Warehouse Shift Supervisor, a 3PL fulfilment hub (2017-2020): ran inbound for 40 trucks a day.

Noticed dock scheduling clashes; built a slot-booking sheet adopted by 2 other hubs within a month.

When the WMS went down on a peak day I switched the floor to paper picklists, cleared the backlog by midnight, and wrote the d

Associate Product Manager, a freight marketplace (2020-2024), working under a Head of Product.
